

The Greenport Tactical Association

is hosting a

TACTICAL SHOTGUN MATCH

For Current GTA Members Only

When: Sunday October 18th, 2009
Shooter sign-in starts at 9:00am.
Pre-match briefing & squadding at 9:30am - Lead flies at 10:00am.
Match ends at ????????

Where: Bill's Place / Greenport Tactical Association.

Who: Current GTA members only.

What: A fun day of shoulder pounding recoil and falling steel targets.
We'll throw in some paper to test your slug shooting abilities and
who knows what else. You'll have to come down to find out ☺

Gear: This match is geared towards a tactical / combat type shotgun. You can shoot it
with Gramps' old double barrel but you'll be seriously behind the curve. I'd suggest
a good pump or autoloader set up for fighting. You'll need at least 50 rounds of
birdshot and 25 slugs. You can shoot buck if you want but it's not necessary. Save
your money and shoot inexpensive birdshot. At the ranges we'll be shooting at it
will do the job just fine. No pistols or other secondary weapons will be needed. This
is strictly a shotgun match. Sights, bandoleers, dump pouches, whatever you want
to use is your choice. If you want to go full mall ninja, have at it. We won't laugh at
you, we promise.....☺

Cost: Free, zip, zilch, nada, nothing.....

Lunch: If you want to eat, well you're on your own.

?????'s: Match mis-director – Scott Dennis, sdenniss@att.net

Please be safe, be smart and most of all have fun !!!!!
